

NEW BOSTON SCHOOL BOARD AUTHORIZATIONS

It has been past practice of the New Boston School Board to grant authorizations to the Superintendent of Schools and their designees to conduct business on the Board's behalf.

The following authorizations are granted to the Superintendent of Schools and/or designees to conduct New Boston School District business between the last June School Board meeting until the next successful Board meeting of the subsequent school year.

1. Authorization for the Superintendent or designees to act on commodity and capital project bid(s) that have been previously approved.
2. Authorization for the Superintendent or designees to sign any and all available grants.
3. Authorization for the Business Administrator, working in conjunction with the New Boston School District Treasurer and Deputy Treasurer, to pay bills and sign checks until the next New Boston School Board meeting.
4. Authorization for the Business Administrator to make budget transfers during the summer months in accordance with New Boston School District Policy DJB and to notify the Board at the next New Boston School Board meeting.
5. Authorization for the Superintendent or designee to hire staff as needed between New Boston School Board Meetings.
6. Authorization for the New Boston School Board Chair to sign off on Federal Grant Assurances.
7. Ratified by the New Boston School Board annually at the organizational meeting in April.
