

STAFF CONDUCT

The Board reaffirms one of the oldest beliefs in education: One of the best methods of instruction is that of setting a good example.

The Board expects that the entire staff will strive to set the kind of example for students that will serve them well in their own conduct and behavior and contribute toward a school atmosphere that is friendly but has a degree of formality.

A. General Provisions.

All employees have the responsibility to make themselves familiar with, and abide by, the laws of the State of New Hampshire as they affect their work, all policies and decisions of the Board, and the administrative regulations and directives designed to implement them.

All employees shall be expected to carry out their assigned duties, support and enforce Board policies and administrative regulations, submit required reports, protect District property, provide oversight of students, and contribute to the education and development of the District's students.

Employees are advised that failure to abide by this and other school board policies can lead to disciplinary action, up to and including dismissal, and can result in non-renewal. Any action taken regarding an employee's employment with the District will be consistent with all rules, laws, and collective bargaining agreements, if applicable.

B. Adoption and Incorporation of Standards of Code of Conduct for New Hampshire Educators.

The Board incorporates by reference and adopts as independent standards of conduct relative to employment in the District, the provisions of the New Hampshire Code of Conduct for New Hampshire Educators (Ed 510.01-510.05) (the "NH Code of Conduct"), as the same may be amended by the State from time to time. The District reserves the right to take employment action against any employee based upon the District's interpretation of the provisions of the NH Code of Conduct and the District's independent assessment of whether an employee has violated said provisions. The District's interpretation, assessment, and/or action thereon are independent of any interpretation by the New Hampshire Education Department ("NHED") with respect to those standards and irrespective of any investigation by or action taken by the NHED relative to a District employee's conduct.
