

STUDENT DISCIPLINE OUT-OF-SCHOOL-ACTIONS

The Board recognizes that out-of-school and off-campus student conduct is not normally the concern of the Board. However, the Board also recognizes that some out-of-school and off-campus conduct may have an adverse effect upon the school, school property, or school staff.

Therefore, it shall be the policy of this Board that the Board or school administrators may impose disciplinary measures against students for some out-of-school or off-campus conduct.

Discipline may be imposed if such out-of-school conduct causes a significant disruption or substantial interference with the school's educational mission, purpose, or objectives.

Out-of-school and off-campus student conduct that may subject a student to discipline includes, but is not limited to:

1. Damaging school property;
2. Violence at or near the school's bus stop, either before or after the school day;
3. Drinking alcohol, using tobacco products, or using illegal drugs at or near the school bus stop, either before or after the school day;
4. Damaging the private property of school staff or employees.

Cyber-Bullying and Internet Threats

Reports and/or allegations of cyberbullying will be addressed in accordance with the provisions of Board policy JICK.

Consistent with applicable law, the District will not require or request that a student disclose or provide to the District the student's user name, password or other authenticating information to a student's personal social media account.

However, the District may request to a student or a student's parent/guardian that the student voluntarily share printed copies of specific information from a student's personal social media account if such information is relevant to an ongoing District investigation.
