POLICY ADOPTION

Except for policy actions to be taken on emergency measures, the adoption of Board policies should follow this sequence which will take place at least two regular or special meetings of the Board:

1. Announcement and publication of proposed new or revised policies as an item of information.
2. Opportunity offered to concerned groups or individuals to react to policy proposals.
3. Discussion and final action by the Board on policy proposals.

The final vote to adopt or not to adopt should follow by at least two weeks from the meeting at which policy proposals are first placed on the agenda.

1. Prior to enactment, all policy proposals shall be titled and coded as appropriate to subject and in conformance with the codification system used in the Board Policy Manual.
2. Insofar as possible, each policy statement shall be limited to one subject.
3. Policies and amendments adopted by the Board shall be attached to and made a part of the minutes of the meeting at which they are adopted and shall also be included in the policy manual of the District marked with the date of adoption and/or amendment.
4. Policies and amendments adopted by the Board shall be effective immediately upon adoption unless a specific effective date is provided in the adopted resolution.
5. Copies of all adopted policies will be maintained in both online and print versions at the offices of the School Administrative Unit #19 in Goffstown, NH. They will also be maintained at the New Boston Central School.

Emergency Procedure

On matters of unusual urgency, the Board may waive the two-week limitation and take immediate action to adopt new or revise existing policies. When such immediate action is necessary, the Superintendent shall inform concerned groups or individuals about the reasons for this necessity.
