

Traffic Pattern change for the 2022-2023 school year:

Dear Parents,

There is a new traffic pattern/change for this coming school year. We have outlined the process below. When parents follow these guidelines, we can keep the cars moving while still ensuring the safety of our pedestrians: **Please drive slowly and cautiously at all times.**

** It is important to note that traffic will be slower on Rte. 13/River Road during drop off and pick up times. Thank you for your patience!

Parent Drop Off

7:45-8:00am

- All cars are to turn right into the car park and drive around the loop and stop at the stop sign.
- Student drop off will be at the **front** of the school building and students will enter into the front door of the building.
- Cars should form two lanes of traffic
 - 2 lanes of cars will unload at the same time.
 - Once all students have made it to the sidewalk, the cars will be dismissed and exit the school property.
 - **At no time should parents exit their car while students are exiting their cars**
- Cars should pull up to the end of the sidewalk and follow directions of our traffic controllers.
- Once the car has come to a complete stop, the student should get out of the car and make their way to the sidewalk.
- **Students should exit from the passenger side of the car**
- **NO Cars** will drop-off or pick up at the back of the building.

MVMS Transfers- All students waiting for a MVMS transfer should wait by the entrance of the school and will get on the buses when they pull around to exit the school property.

Bus Drop Off

7:45-8:00am

- Busses will pull onto campus and go up and around the back of the building
- Students on buses will unload in the back of the building and enter the school.

Parent Pick-up

2:15- 2:25

- All cars are to turn right into the car park and drive around the loop and stop at the stop sign.
- Student pick-up will be at the **front** of the school building and students will exit the building and go to the side lawn of the school.
- Parents should display an 8 ½ x11 white sheet of paper Name & Grade

N.B. Bobcats

Grade 2

- Cars should form two lanes of traffic
 - Cars should pull up to the end of the sidewalk and follow directions of our traffic controllers.
 - 2 lanes of cars will be loaded at the same time.
 - Once all students have entered into their cars in the loading areas, the cars will be dismissed and exit the school property.
 - **At no time should parents exit their car during the students entering their cars**
 - **If your child is not out of the building yet, you will be sent around the parent loop again.**
- Students should enter from the passenger side of the car
- **NO Cars** will pick up at the back of the building.

Bus Pick-up

2:15-2:25

- Busses will be at the back of the building and students will be dismissed to them at 2:15
- Students leaving on buses will exit the back of the building and get onto their designated buses.
